

Dear Pleasant Hill Railroad Days Festival Vendors and Community,

It is with heavy hearts that we announce the 2021 Pleasant Hill Railroad Days festival scheduled for April 23rd, 24th, 25th 2021 is officially canceled due to the health and safety concerns surrounding the Covid-19 global pandemic.

While this decision was very difficult to make, we are certain that this is the most responsible choice to be made. Our Railroad Days festival committee has been monitoring the rapidly changing situation closely since last year. We have reviewed recommendations from several sources and the local health department in our decision process. We simply cannot put our community, friends, and family at risk by hosting this large gathering during an uncertain time. We hope this difficult decision may serve as a positive example to other organizations who may be struggling with the same deliberations.

We are grateful for all of you who attend and participate in the Pleasant Hill Railroad Days Festival each year, and for all of our sponsors. We wish you good health and look forward to hopefully being back next year in April 2022 for this wonderful event.

Sincerely,

The Historical Society and Pleasant Hill Railroad Days Committee
